Malek's old friend

Someone was running someone was panicking whose name was Ender. He led a company called end spies. Their job was To spy on bad guys. but right now they were being hunted. right now and there was running because End Bots Three Hunters were chasing him. Ender ran so fast that the bad guys didn't know where he went. soon and her came to a wall of iron bars protecting our base. Ender said," let me in! let me in!" There was a security camera. I saw him over the security camera. I said," Malik you have to see this." Malik came and said," that sander! Let him in!!" I did. We close the door when the three bad guys returned. Alex put up the defenses. the bad guy in the middle said," you don't scare us" Clank!!! The other two bad guys had drop their weapons and ran away. " AAAAAAAAAAAAAA!!!!!!" Scream the other bad guy as he ran away. " that was easy." Said Ender. "now tell us why you're here." I said. " I will" said Ender

Two villains

After book 4 (Herobrine returns) king zombie took control of the bad guys, he's trying to find more leaders to help him. he was looking for a witch named Ave that helped him a long, long, long, time ago. He sent EndBot And his helpers to look for her. just then Ding dong king zombie said," who is it." " it Ave." Ave said. "come in." said king zombie. Ave walked in and said," it's good to be back." thanking zombie said," Ave, you are now a boss for the bad guys, step closer to receive your red violet badge and your black armor." Ave step closer and got her stuff. Just then Commander rip said," king zombie you have to see this!" out the window there was someone flying towards the gate. it was Endy.

3

Ender's story

Everybody found a seat and sat down. I said” Ender, I want to hear your backstory. what brought you here.” Ender said,” well first, I made a network of spies from the end we call ourselves the end spies. we know that Malik likes to spy on other bad guys.” “ wait you did” asked Malik. “ we did. one day A bad guy named Armstrong figured out that Malik likes to spy on other bad guys.He ordered me to destroy him. But instead we escaped and blew up the base and every bad guy died except one, Armstrong. somehow he survived but he was really hurt he couldn’t see out of his left eye and he had no feeling in his right arm So they will replace with robot parts. ever since that all of our bases have been Hunted and now I’m the only Survivor.” Ender started to cry. I said,” Ender I’m sorry you can live with us.” Felix said,” Beckett are you sure?” “ yes I’m sure.” I said

4

Endy

There Endy the Ender Dragon. king zombie said,"open the gate, let Endy in." he landed outside the door when king zombie ran out and said," Endy, what brings you here?" Endy said with a growl," I want to see a Ave!!!" Just then ave ran out the door . endy said," 2 years ago King ass took control of all the bad guys I knew that the bad guys we're going to die so I quit and promise to return When I was needed. so I left today I woke up with a plan, Ave, use your powers to make me stronger, faster, eviler." " sure." said Ave pleased.

5

The power!!!

Ave called three more witches, Ave said,” look in page 61 in witch spells.” they found it and looked at the blueprint. it looked like it this: they got ready ave said to Endy,” this really hurts a lot, remember that.” Endy said,”start.” They did. endy screamed as he felt himself getting stronger and stronger and stronger. soon his eyes turn red then the witches stopped. “ how do you feel Endy?” asked Ave. “ haha. perfect.” dead Endy in an evil voice.

6

Our cool spaceships

Meanwhile at my base...

“ I’m done!!!” Alex said. We ran over. it was a spaceship for the water, fire, night, and life God. “ wow!” everybody said. Alex said,” oh that’s nothing. come with me.” my team walk down the hall and walked in a door and saw a big battleship. “ what!!!” Everybody screamed. “ I’m still working on it it should be done by the end of this book.” Alex said. I said,” don’t spoil the book.” beep! beep! beep! “ it’s time to go on patrol. Bye everybody see you soon.” I said. I got into the amazing life ship and flew away. just then, Ender came back from his time spying on the bad guys and said,” where’s Beckett?!?” “ Oh he just went on Patrol.” “ no” said Ender. “ what” asked Felix. Ender said,” Beckett is going to be...”

7

Chapter 6 and ½: the plan

sorry that I had to interrupt that chapter but there is something I need to tell you:

15 minutes earlier...

The bad guy set up a meeting. king zombie said, "Endy, you said you had a plan." " yes," said Endy " instead of fighting Beckett's whole team will just fight Beckett. then we'll fight the rest of the team, then will suck the life gems magic and use it to take over. Hahaha!" "Great idea. to keep the good guys busy I will send Commander Armstrong." King zombies said. he called Commander Armstrong and sent him to my base. Ender saw this all and ran away.

8

Chapter 6 and ¾: our cool spaceships (in progress)

“... Hunted by Endy the Ender Dragon, king zombie and Ave the witch! we need to find him, and fast! Alex open the door when... Zap!! A Blu-ray shut down I was close the door before it got inside “ who did that?!?” Alex asked to herself

9

Armstrong

Ender ran to the camera. he said, "Armstrong! he did that!" Armstrong blue in the spaceship. Suddenly arms came out of spaceship. one arm was holding a machine called "the hypnotizer"

Meanwhile, I was being chased by Endy, Ave and king zombie. suddenly a slot open that you put the life sword in. I did. Just then a giant sword formed on top of my spaceship. "perfect." I said. I thought the bad guys but they still chased me. meanwhile, Armstrong was attacking Felix, Malik, Alex, mom, and Ender. Felix, Malik and Mom were flying and spaceships. Alex and Ender War inside my base Armstrong hit the base with his hypnotizer and everyone inside got hypnotized (Alex and Ender.) next he hit mom and then Malik. Then and Felix the Spy ship a slot open that you put the fireball shooter in. Felix did. suddenly, a huge fireball shooter formed on top of Felix's Fire Ship. Felix pressed the button and the fireball shooter shot a fireball. It hit the bad guys spaceship but Armstrong escaped. meanwhile the bad guys were still chasing me. they want right above me and sucked me in with a tractor beam." oh no." I said sadly

10

Captured

They put me in a cell.” Set a course for Beckett’s base.” King zombies dead. I sat in my cell then Heard a Voice “hey, Beckett it’s me the life gem. I’m very proud of you that. AAAAAAAAAAAAAA!!!” I heard Ave from out the door,” I successfully sucked the magic out of the life gem.” I put my head down I started to cry. “no.” I said. but I felt like I he was still alive and he was. you see the life gem was being recharged by me, I didn’t know how at the time but eventually the tank that was holding too much magic and got too full and shut down the sucker. the life gem got free. it hop to me and then I turned into the Life God and said,” I look different.” the life gem said,” that means you can shoot a tree out of your hand.” “cool.” I said. then I cut the bars using my life sword. Then I ran to my life ship and escaped. then I formed the life on top of my life ship and cut the spaceship. it crashed in front of my base

11

Endy's last breath

Mom said," Malik and I will chase king zombie, Ave, and Armstrong. Felix, Beckett defeat Endy." and they ran away. me and Felix got in our spaceships and started fighting Endy. but endy was faster than our spaceships, could heal very fast, and was very, very strong. Endy hit our spaceships so hard with his tail our spaceships fell to the ground. " oh no." I said " it is all over" sad Felix. then we heard this: Screech!!!! A few seconds later we saw Alex's big battleship! Alex said," I told you it would be ready at the End of This Book. Now, let's go fight Endy." I said," okay." Endy Attacked but he could hardly make a dent in it before he got hurt. Endy was so distracted by the battleship that he didn't see me in my spaceship. I formed the sword on top of my spaceship and I cut it in more and more damage came to Endy. eventually he fell to the ground. when the dust cleared Endy was no more.

12

Big fight

King zombie crashed and when he woke up he saw Felix.” Well well well. look who’s here.” Felix said,” I am here to finish the job. soon you will be no more.” Felix turn into the fire god. king zombie got out his weapon the fire sword. they fought. Felix wasn’t getting anywhere but he was dodging all King zombies attacks. then he formed the fireball shooter and shot of Fireball. king zombie Dodge all of these. but one of them hit his sword. Felix kept firing more and more Fireballs at King zombies sword. then the fire sword flew out of King zombies hands. “ no!” king zombie Said. Felix and king zombie ran to get the sword. Felix got it first. then he sliced King zombies head but king zombie survived. Felix said,” I win.” and he walked away. Ave came and helped king zombie up. Armstrong, Ave, and king zombie went away. But Endy stayed to finish the job

13

The portal

A few hours later, Ave said,” we may have lost Endy but we still have tons of Life gem Magic, more than I ever thought was possible. I think I can build a portal that will send the good guys galaxies away.” so that’s what she did. 4 days later... Ave Launch the portal. We saw the portal and Alex wanted to go on a ride in the spaceship. she got to ride with Malik. it was a hard fight. And at the end the portal was going to suck up the Gods. From a distance Ave what shooting post arrows. these arrows suck up Magic. Felix and me and Malik and Alex and Mom were all being sucked closer to the portal. when a turbo Switch opened on Felix’s dashboard. Felix Pressed the button and got loose of the portals grip. but then Felix heard me say,” goodbye, Felix.” as me, Alex, Malik, and Mom were all sucked in. Felix said,” no!” Felix started to cry. he had no idea what he was going to do next.

sorry there will be no more books of this series. no more not at all. who am I kidding, I will make tons more. So find out where I am in my Nextbook

two Adventures *my sixth book*
